(Through the President)

Sir,

Subject - Bill of cost for supply of released materials issued by the Water Supply department, for water supply to the Agricultural Block, Jeevannarayana Katte
=O=

The Agricultural department have taken a plot in Jeevannarayana Katte for demonstration of Agriculture operations, during Dasara Exhibition for the benifit of the public The department maintaines the block throughout the year and as such they department needed a permanent service of water supply throughout the year While in the normal periods the plantation of several crops are continued during Dasara Exhibitions, they are augmented by the actual demonstration of the use of machinery etc , The question of giving a water connection having come up at the last Dasara Exhibition, a decision was arrived at by the President with the Agriculture department that the cost of the pipes would be borne by the Municipality and the labour charges might be borne by the Agricultural department On this condition, a water connection was given during the Dasara Exhibition Since then the department is paying the charges for water supplied

The payment of the cost of materials is now pending settlement on the score that it is not a legitimate charges on the Council But in view of the fact that the plot is one educative in nature and useful to the public not only during Dasara Exhibition peridd but also during remaining periods, the cost may be debited to Municipal fuhds But as the admission of the bills in audit is not possible without specific sanction of Government, I request you kindly to move the

Government to permit payment of the above amount as a special case.

A copy of the bill is enclosed herewith for favour of kind reference. The cost will be debited to E9 Water supply

Yours faithfully,

(A Viswanath)
Municipal Commissioner

Forwarded with compliments.
